### GENERAL

# **Executive Summary**

Louisville/Jefferson County Metro Government (Louisville Metro) is a consolidated city/county government. Its jurisdiction is Jefferson County, Kentucky, with an estimated population of 708,402 persons (U.S. Census, American Community Survey 2006-2008 Estimate). The Louisville Metro Department of Housing and Family Services (LMHFS) is the lead agency responsible for preparing, administering, monitoring and reporting on the jurisdiction's 5 year Consolidated Plan and its annual Action Plans. Louisville Metro's 2010 Action Plan covers four entitlement programs: Community Development Block Grant, HOME Investment Partnerships, Emergency Shelter Grant and Housing Opportunities for Persons with AIDS.

LMHFS has provided project estimates throughout this document. These projections are subject to budget approval by the Louisville Metro Council. A proposed budget – to include these figures - will be submitted by the Mayor to the Council in May 2010. The Council must approve the jurisdiction's budget by July 1, 2010.

#### **General Questions**

# Geographic Areas to Be Served and Basis of Allocations

Action Plan programs will occur Metro-wide based on applicable, eligibility guidelines, in low-to-moderate income areas, and in Neighborhood Revitalization Strategy Areas.

For Housing Opportunities for Persons with AIDS or HOPWA programming, the Eligible MSA is the Louisville Metropolitan Statistical Area, which includes, Bullitt, Henry, Jefferson, Meade, Nelson, Oldham, Shelby, Spencer and Trimble counties in Kentucky, and Clark, Floyd, Harrison, and Washington Counties in Indiana. In 2009, the Census Bureau estimated the Louisville MSA population at 1,258,577 people.

Louisville Metro's Consolidated Plan established a sequence of five Neighborhood Revitalization Strategy Areas (NRSAs) covering program years 2010 through 2014. With its Consolidated Plan, a proposal was submitted proposing that the Portland neighborhood would be the first NRSA community – beginning in the 2010 program year.

Louisville Metro also prepared an NRSA plan for the Smoketown/Shelby Park neighborhood to support the Louisville Metro Housing Authority's redevelopment of the Sheppard Square housing complex and the surrounding area, if the Housing Authority receives a HOPE VI grant. An NRSA designation for Smoketown/Shelby Park will enable Louisville Metro to provide \$12,500,000 in financial support over five years from CDBG, HOME or NSP funds, and it allows the Housing Authority flexibility in how those funds support the development. A total of \$2,000,000 in CDBG funds and \$625,000 of HOME funds is proposed for the Sheppard Square project in the 2010 Program Year, provided LMHA is awarded HOPE VI funding. A final decision by HUD is expected in May 2010. If LMHA does not receive a HOPE VI award, then LMHFS proposes that Smoketown/Shelby Park be added as a Neighborhood Revitalization Strategy Area in the 2011 Program Year.

The Consolidated Plan's proposed NRSAs were selected based on public input during a needs assessment phase alongside a review of neighborhood specific data related to housing (housing cost burden, vacant and abandoned structures, code violations, property values, housing stock age and condition, and foreclosures, etc). Other considerations were economic and community development needs as well as Louisville Metro plans, priorities and opportunities.

NRSA designations will last for up to five years. An additional influx of funding will be made available for projects and activities specific to each NRSA's needs and priorities in addition to receiving regular, Action Plan programming. The one-time funding commitment will represent 8-15% of Metro's annual CDBG allocation. If a HOPE VI grant is received by LMHA, then each NRSA will receive \$1,000,000. It is proposed that the NRSAs will receive \$2,000,000 if a HOPE VI grant is not awarded.

# SMOKETOWN/SHELBY PARK NEIGHBORHOOD REVITALIZATION STRATEGY AREA

Located just east of downtown and south of a major east-west corridor to the central business district, Smoketown is home to an estimated 2,768 persons. In Smoketown, both race and poverty statistics are disproportionate when compared to Jefferson County data. With numbers more than 10% higher than the rates for the jurisdiction as a whole, Smoketown is a neighborhood of low-income and minority concentration. Based on 2007 American Community Survey (ACS) estimates, 81% of Smoketown residents are African-American and just under 15% are Caucasian. This is nearly an inverse ratio to the county where 21% of residents are African-American and nearly 77% are white. Smoketown's percentage of Hispanic residents is 3.76%, slightly higher than the county rate of 2.9%. However, the Kentucky State Data Center suggests there was significant undercounting of Jefferson County's Hispanic population in the last census, so any statistics regarding the jurisdiction's Hispanic residents may be two to three times lower than the actual numbers (See "A Profile of the Foreign-born in the Louisville Metropolitan Area," page 11, footnote 3).

Using Census 2000 data, the poverty rate for Jefferson County is 12.4%. In Smoketown, the figure balloons to 55.3%, with most neighborhood residents living below poverty. The vast majority of Smoketown's housing stock (86.3%) was constructed prior to 1959 compared with 42.4% of structures built before 1959 for Jefferson County. Almost 18% of the neighborhood's housing units are vacant contrasted with 6.2% for the county as whole (2007 ACS).

Smoketown is home to a 326 unit public housing development. Sheppard Square (built in 1943) is slated for redevelopment, and LMHA's HOPE VI application requested \$22,000,000 in HUD funds to assist with its revitalization.

Owner-occupied housing represents only 25.6% of neighborhood units with rental housing comprising 56.5% of Smoketown's housing stock. This compares to an owner-occupied rate of 61.2% and a renter-occupied rate of 32.6% for the county as a whole (2007 ACS). Smoketown's owner-occupied housing rate is less than half the county rate.

The area is home to Meyzeek Middle School, Lampton Park, a fire station, the Presbyterian Community and Child Development Centers and Bates Memorial Baptist Church. New Directions Housing Corporation and Making Connections Louisville are active in the community.

### **SHELBY PARK**

Located south of Smoketown, along Kentucky Street, Shelby Park is home to 3,389 persons, 41% are white, 53% are black and just over 1% are Hispanic (2007 ACS). The poverty rate, at 37.5%, is three times higher than the county rate (12.4%). Fifty-nine percent of Shelby Park's housing stock was built prior to 1939 compared to 15.3% for Jefferson County (Census 2000). Metro-wide 32.6% of housing units are renter occupied. In Shelby Park, 56.2% of residents rent their housing while only 29.3% of units are owner-occupied. The remaining 14.5% of Shelby Park housing is vacant (2007 ACS).

An Olmsted Park, Shelby Park, a former library which now serves as a Metro Parks Community Center, a fire station, and the House of Ruth are located in the community. Making Connections Louisville is also active in Shelby Park.

A close-up of Shelby Park, located south of Smoketown, across Kentucky Street, appears below.

Combined statistics for Smoketown and Shelby Park include a low-to-moderate income ratio of 79.6% for all residents (HUD 2009), a foreclosure rate of 6.6% (HUD NSP data), and a median household income of \$16,816 (Census 2000). Over 39% households experience housing cost burdens greater than 30% of their income (Census 2000). There were 1,850 exterior and 251 interior property code violations in Smoketown/Shelby Park in 2009. Based on Census 2000, the median home value in Smoketown is \$47,100 and for Shelby Park it is \$45,500. For Jefferson County, the median home value is \$103,000.

The Smoketown/Shelby Park NRSA plan, submitted with this 2010 Action Plan, details the activities to occur in the area and the specific 5-year performance measures that will be produced by those efforts. A public hearing regarding the proposed NRSA was held on April 12, 2010 at the Presbyterian Community Center. Citizen comments from the public hearing and LMHFS's responses are incorporated into the Smoketown/Shelby Park plan. Smoketown and Shelby Park include all of Census Tracts 62 and 65 (Technical Correction).

# **PORTLAND Neighborhood Revitalization Strategy Area**

Portland, located in the northwest corner of the county, west of downtown and south of the Ohio River, is not an area of minority concentration, but it is an area of low-income clustering with nearly 34% of residents living in poverty compared to 12.4% for the county. The number of children living in poverty is just under 50% - nearly three times the county rate. For persons over age 65, 19.3% live at or below poverty - more than twice the county figure of 8.8% (Census 2000).

Perhaps the most telling statistic for Portland is 60.2% of its housing stock was constructed in 1939 or earlier. This compares to the county rate of 15.3% for the same age range. Slightly less than fourteen percent of Portland's properties are vacant or abandoned – more than twice the county figure of 6.2% (Census 2000). Similarly, foreclosures, at 9.3%, are double the county rate of 4.2% (HUD NSP data). One in three Portland residents bears a housing cost burden totaling 30% or more of their income while the median value of a single family owner-occupied home in Portland is \$42,962 - less than half the county figure of \$103,000 (Census 2000).

A \$1,000,000 investment is proposed for the Portland NRSA, if the Louisville Metro Housing Authority receives a HOPE VI grant. If this does not occur, a \$2,000,000 allocation is proposed for the Portland NRSA in Program Year 2010. If Smoketown/Shelby Park becomes an NRSA in Program Year 1, its additional influx of funding will not be available until Program Year 2.

Portland is primarily residential, but it also is home to industrial sites and commercial corridors. Two maps of the Portland area, taken from the comprehensive Neighborhood Plan completed in 2008, appear below. One illustrates community forms (traditional workplaces, traditional neighborhoods) and the other current land use.

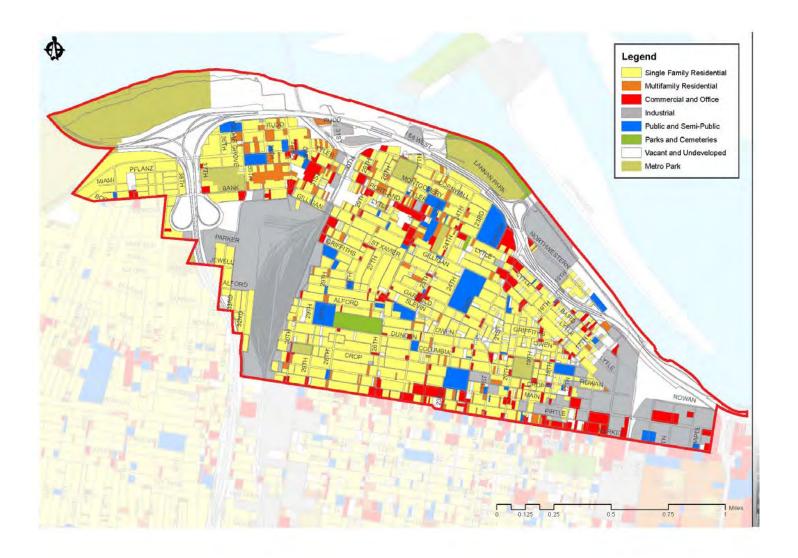

The Portland NRSA proposal, submitted with this 2010 Action Plan, details the activities to occur in the area and the specific 5-year performance measures related to those efforts. A public hearing was held concerning the Portland NRSA on April 19, 2010 at Neighborhood House. Public comments and LMHFS's responses are included in the proposed Portland plan.

The complete Census Tracts defining the proposed Portland NRSA include: Tracts 2, 21, and 23. Partial Census Tracts include: Tract 3, Blocks 1 and 2; Tract 4, Blocks 1 and 2, and Tract 30, Block 1 (Technical Correction).

# **Matching Funds**

Based on the Presidential declaration of a major disaster in Kentucky during February 2009, the US Department of Housing and Urban Development issued a Waiver for Louisville Metro Government's HOME Investment Partnerships Program match requirement. The 100% waiver will allow Metro to meet its HOME affordable housing goals and manage the local financial needs produced by the disaster. The HOME match waiver is valid through the end of federal fiscal year 2010. When the waiver expires, LMHFS will use local general fund dollars to meet its match obligation as it has in past program years.

For the Emergency Shelter Grant, LMHFS uses a Request for Proposal process to identify ESG sub-recipients to provide services to the community. The sub-recipients furnish a one-to-one match based on the amount of their sub-award.

# **Managing the Process**

# **Lead Agency and Partnerships**

With a unique blend of housing, human services, anti-poverty programs and community linkages, the Louisville Metro Department of Housing and Family Services is the lead agency for preparing, administering, reporting, and monitoring Louisville Metro Government's Consolidated Plan, Action Plans and NRSA designations. LMHFS works with other Louisville Metro agencies to carry-out multiple activities. These agencies include Public Works and Assets (Vacant Lot Program); Codes and Regulations (Code Enforcement and Demolition of vacant and blighted properties); the Economic Development Department (METCO Business Loan Program) Public Health and Wellness Department (Childhood Lead Poisoning Prevention Program or CLPPP), and the Human Relations Commission (Fair Housing).

In addition, LMHFS works directly with over 85 non-profit agencies, historically providing them with support through an External Agency Fund, to provide housing and human services to the community. Many of these agencies are involved in Consolidated Plan and/or Continuum of Care activities.

LMHFS, through its Neighborhood Place partnerships, maintains a service network with the Kentucky Department of Community Based Services (TANF, Food Stamps, Medicare, Medicaid, KCHIP and Child Protective Services), Jefferson County Public Schools, Seven Counties Services (mental health and substance abuse service provider), Public Health and Wellness, and KentuckianaWorks (the area's Workforce Investment Board).

# **Plan Development and Consultation Process**

As part of an extensive needs assessment phase, a Louisville Community Planning Workshop was held on Saturday, October 24<sup>th</sup>, 2009, and a Public Hearing was held on Thursday, October 29<sup>th</sup>, 2009. Each collected public input into the Consolidated Plan and Action Plan needs and priorities. A total of 54 people attended the workshop and 28 people attended the Public Hearing. A legal notice was published in the Courier-Journal announcing the Public Hearing and advertisements were places in the Courier-Journal and the Louisville Defender announcing the Louisville Community Planning Workshop consultation in addition to repeated promotion via the Louisville Metro website, LMHFS Staff, and numerous electronic distribution lists. Notice of both events was sent to the Louisville Metro Housing Authority to share with residents and to the 85 nonprofits receiving external agency funding, so they could share it with their constituents. Information was also distributed via the Metro United Way, the Metropolitan Housing Coalition, the Coalition for the Homeless, the Center for NonProfit Excellence and the Department of Neighborhoods listservs. Promotion of the workshop began on September 16, 2009.

In addition to these consultations with external partners, LMHFS collaborated with its internal partners. The LMHFS Director and Staff met with the Louisville Metro Housing Authority (LMHA) Director and Staff numerous times in November and December of 2009 to discuss the Consolidated and Action Plans and LMHA's HOPE VI application for Sheppard Square. Another series of meetings were held in January 2010. The Director of LMHFS and Grants Planning Staff met with the Directors and Staff from Codes and Regulations, Economic Development, Public Works, and Metro Parks to discuss Consolidated Planning priorities. Input was sought from small cities located in the jurisdiction (Jeffersontown, Shively, St. Matthews and Plantation). The AIDS Services Center Coalition, whose members provide services throughout the EMSA were also consulted. The Department of Public Health and Wellness provided information for Lead-Based Paint and HOPWA planning.

# **Citizen Participation Process**

LMHFS initiated in-house meetings to begin Consolidated/Action Planning in January of 2009 and staff has met on a regular basis since. Staff met with the Louisville Metro Council President in February 2009 to discuss involving Council Members in the Consolidated and Action Plan development process. Another meeting was held with Council staff in April 2009. As a result, LMHFS initiated its community needs assessment in May 2009. A series of six Community Forums were organized in May and June 2009 to serve residents in each of Louisville's twenty-six Council Districts. A legal notice published in the Courier-Journal listed the dates, times and locations of each Community Forum. The Department of Neighborhoods also helped distribute the information to its listserv of Neighborhood Associations and Community Groups. At the forums, the consolidated and action planning process was explained, citizens asked questions, and attendees were given a community needs and priorities survey to complete. A total of 51 people attended the Community Forums.

In addition to the forums, the community needs and priorities survey was available to the public online and in hard copy from May 16 through November 16, 2009. During that six month period, surveys were widely distributed to low-to-moderate income clients served through

LMHFS's Housing and Community Development Division, Community Action Partnership Division, and Human Services Division – via Neighborhood Place. The survey process was extensively promoted. Notices were sent to all LMHFS staff to share the survey with their clients. This included the Office for Women and the Office for Aging and Disabled Citizens. Information was also distributed via multiple listservs. The external, non-profit agencies funded by LMHFS received information about the survey to share with their constituencies. Notice was also distributed via the Metro United Way listserv, the Metropolitan Housing Coalition, the Coalition for the Homeless, the Center for NonProfit Excellence and the Department of Neighborhoods listserv. As a result, a total of 1,116 surveys (both hard copies and online versions) were completed.

Announcements for the Louisville Community Planning Workshop, needs assessment survey, and Public Hearing were also sent to the Louisville Metro Housing Authority to share with public housing residents.

A summary of citizen comments and LMHFS's responses are included as an attachment.

# Institutional Structure This section contains Technical Corrections requested by HUD.

The Louisville Metro Department of Housing and Family Services (LMHFS) is responsible for the implementation of CDBG, HOME, ESG and HOPWA entitlement programs for Louisville/Jefferson County Metro Government. Within the department's institutional structure, a Grants Planning, Compliance and Monitoring (GPCM) Unit oversees grants and contracts (from pre-application to close-out) for each of the organizations three divisions. The Grants Unit reports to the Department Director.

# The GPCM Unit is responsible for:

- Coordinating Consolidated and Action Plan activities with other Metro agencies, including the Louisville Metro Housing Authority;
- Ensuring programmatic and financial reporting requirements are met;
- Producing the Consolidated Plan and Annual Action Plans, including the facilitation of citizen participation;
- Preparing the Consolidated Annual Performance and Evaluation Report (CAPER);
- Managing the IDIS reporting system;
- Ensuring compliance with labor standards, environmental review, conflict of interest, Section 3, Fair Housing, and additional compliance issues;
- Assuring adherence to affordability periods;
- Handling citizen complaints regarding LMHFS's federal grant programs;
- Monitoring outside recipients for compliance with federal regulations.

The Grants Planning Compliance and Monitoring Unit has developed reporting templates, based on funding source requirements, for LMHFS program staff and sub-recipients to complete monthly. A reporting portal has been established online.

GPCM will provide training or arrange for technical assistance in partnership with HUD's Louisville Field Office for LMHFS program staff, staff at Metro partner agencies and external sub-recipients to enhance administration and performance during Program Year 2010. This will include closer collaboration and coordination with Metro agencies conducting Action Plan and NRSA activities.

The department also includes the Office for Aging and Disabled Citizens, which works to address housing, crime and safety, and transportation issues in collaboration with agencies that provide services to senior citizens and persons with disabilities. In implementing its affordable housing strategies, the department provides funding to the Louisville Urban League and the Center for Accessible Living to provide services and increase the involvement of racial/ethnic minorities and persons with disabilities. In addition, during the 2010 program year, entitlement funding is proposed for organizations serving persons with mental health and/or substance abuse disabilities. These sub-recipients include Bridgehaven, GuardiaCare Services, Seven Counties Services and Wellspring. (TECHNCIAL CORRECTION).

# Monitoring

As part of its responsibilities for the monitoring of all sub-recipients, the GPCM Unit performs risk assessments for each sub-recipient to identify the potential risk level for non-compliance prior to the start of the program year. Sub-recipients found to be at low risk receive desk reviews. Those found to be at high risk receive a more comprehensive on-site review. A monitoring schedule is established annually.

To ensure compliance, the GPCM Unit uses checklists which have been developed to ensure monitoring staff review programs in accordance to regulatory requirements specific to each funding source - CDBG, HOME, ESG or HOPWA. The checklists are also specialized to accommodate for the type of review being provided, Desk or On-site reviews.

The steps for each type of review are as follows:

### **Desk Review:**

- ✓ Examine both routine and special reports from program staff, housing owners/developers/sponsors, sub-recipients, and sub-grantees. This type of monitoring identifies potential problems by analyzing in-house documentation. Monitoring staff review the following to assess performance and look for indicators of performance or compliance deficiencies:
  - Work Program and Budgets and/or written agreements (including loan agreements, if applicable)
  - Monthly reports
  - Draw-down requests and supporting documentation
  - Applicable IDIS reports

- Correspondence between in-house staff and the funding recipient
- Reports from previous monitoring reviews
- Copies of audit reports
- Telephone Interviews
- ✓ Prepare and submit to the sub-grantee a finalized report detailing any findings and concerns discovered.

This information enables the monitoring staff to evaluate performance and identify any compliance issues.

# **On-Site Review:**

- ✓ Visit the program or project to gather specific information and observe programmatic and administrative elements. This is the most comprehensive monitoring as it gives the clearest picture of funding recipients and their projects. Steps in conducting an on-site monitoring are as follows:
  - Perform a desk review
  - Conduct the monitoring visit (including entrance and exit conferences)
- ✓ Prepare and submit to the sub-grantee or sub-recipient a finalized report detailing any findings and concerns discovered (and any necessary follow-up).

### **Inspections:**

In addition to performing Desk and On-site reviews of our sub-recipients, projects funded with federal dollars are also inspected for compliance with local codes and rehabilitation standards.

HOME-funded projects are inspected for compliance throughout their affordability period. The intervals by which we schedule inspections depend on the number of units within each project. As required by HOME, projects containing 1-4 units are inspected every 3 years, projects containing 5 to 25 units are inspected every 2 years and projects containing more than 25 units are inspected yearly.

For CDBG-funded projects, inspections are conducted as needed throughout the term of the loan to ensure they meet local code requirements.

For TBRA-funded projects, inspections occur both prior to lease and annually, throughout the term of the rental assistance. The unit inspections also serve to verify compliance with required occupancy standards in relation to the size of each household.

For HOPWA-funded projects, units are inspected to ensure that they meet habitability standards in addition to local code requirements, as required by HOPWA regulations.

For ESG-funded renovation projects, inspections are performed to ensure the facility is in compliance with local habitability standards.

As with the desk review, this information enables the monitoring staff to assess performance and identify any compliance issues.

All federally-funded sub-recipients are required to submit periodic reports detailing accomplishments, expenditures, beneficiary demographics and delays or problems encountered in meeting their benchmarks. LMHFS program staff reviews monthly reports to assess the progress of each activity, evaluate expenditure rates and determine if the sub-recipient is carrying out the activity as planned or whether technical assistance might be necessary to assist the sub-recipient and ensure compliance with regulations.

Housing and Community Development Division staff, along with the other Metro agencies receiving Consolidated Plan funding, are also required to prepare and submit regular performance reports to the Grants Unit. With the responsibility for maintaining the IDIS system, the Grants Unit regularly reviews the programmatic and financial information within the database to monitor the department's performance, including the timeliness of expenditures.

All monitoring activities are conducted as prescribed by the regulations appropriate to the respective funding source. As part of its commitment to continual improvement, LMHFS will regularly review and enhance its monitoring processes and procedures in accordance with grant and audit guidelines.

### **Lead-based Paint**

The Lead-Safe Louisville Project (LSL) focuses on units housing families with small children, particularly units that are occupied by lower-income families with children under the age of six. The Louisville Metro Public Health and Wellness Department administers the Childhood Lead-Poisoning Prevention Program (CLPPP) and routinely tests children for elevated blood-lead levels. If a child test positive, CLPPP staff makes an immediate referral to the Lead-Safe Louisville Project for remediation of the lead hazards and refers the family to appropriate medical care.

The Health Department's data collection and GIS technology enable LSL to identify the addresses of properties where multiple poisonings have been reported. Team members (LSL and CLPPP staff) work diligently, using every communications tool available, to convince these property owners to take advantage of the opportunities provided by the lead safe project.

To enroll participants, staff also conducts outreach in the target neighborhoods and Metro-wide, working with community-based groups to arrange neighborhood meetings to introduce residents to lead dangers and provide people with information on ways to reduce those hazards. LSL outreach staff mail, call, and make door-to-door visits to residents and owners of units identified as being high risk. Community outreach partners such as Americana Community Center, Portland Promise Center, the Housing Partnership, Inc., Louisville Urban League, New Directions Housing Corporation and the Presbyterian Community Center augment this by sharing LSL information with their clients and/or by helping to conduct lead safe outreach.

Upon referral to the LSL Project, the Outreach Specialist or Program Manager calls the property owner. If the owner of the referred property is reached by phone, an initial site visit is scheduled. At the site visit, the Lead Hazard Control Advisor leaves an application and performs a visual inspection, takes photos, and schedules a date to return for the application and supporting documents. When documentation is complete, the application is reviewed for eligibility by the Program Manager. Once approved, the application is submitted to the Lead Hazard Control Advisor to manage the completion of the work, including a final clearance inspection. Follow-up steps are in place for referrals that cannot initially be reached by telephone and for follow-up on incomplete or partial applications. Additionally, applicants to other Housing and Community Development programs are assessed for eligibility for the LSL project.

In Program Year 2010, the LSL Project expects to remediate lead hazards in 26 properties, 6 single family units and 20 rental units.

# HOUSING

# **Specific Housing Objectives**

A Strategic Plan table has been developed that establishes goals and objectives for Louisville Metro's 2010 Program Year. Each LMHFS objective lists the HUD program objective to which it corresponds and includes a measurable outcome or performance indicator. HUD's program objectives are Decent Housing (DH), a Suitable Living Environment (SL), and enhanced Economic Opportunities (EO). Next to each HUD program objective, there is a number representing a HUD outcome indicator: Availability/Accessibility = 1, Affordability = 2, and Sustainability = 3. The activity line indicates which programs will conduct the work necessary to achieve the objectives and produce the outcomes. Funding sources for these activities/programs are also provided.

LMHFS will leverage CDBG, HOME, NSP, a Lead-Based Paint Hazard Control Grant, US Department of Energy funding, and private investments to accomplish the following objectives.

#### **HOUSING GOALS AND OBJECTIVES - 2010 PROGRAM YEAR**

GOAL 1: Louisville Metro residents have a range of choices for safe, decent, secure and affordable housing.

Community Indicators: # of Affordable Homes; # of Affordable Rental Units; Homeownership Rate; Rental Vacancy Rate; Owner-Occupied Vacancy Rate; Housing Cost Burden; # of Homeless; Elevated Blood Lead Levels.

Objective 1.1: Increase the number of affordable homes [HUD DH-1]

Outcome 1.1: Develop 2 new units of affordable single family housing

Activities 1.1: Non-profit housing development [CHDOS]

Funding sources: HOME and Private Investments

Objective 1.2: Increase the number of affordable rental units [HUD DH-1]

Outcome 1.2: Develop 29 new units of affordable rental housing

Activities 1.2: Rental Development Program

Funding sources: HOME and Private Investments

Objective 1.3: Improve energy efficiency and conservation [HUD SL-3]

Outcome 1.3: Provide weatherization assistance to 270 households

Activities 1.3: Weatherization Program

Funding sources: CDBG, Weatherization Assistance for Low Income Persons [US Dept. of Energy (DOE)]

#### **HOUSING OBJECTIVES** continued

Objective 1.4: Assist low- and extremely low-income households with rent [HUD DH-2]

Outcome 1.4: Serve 190 persons

Activities 1.4: Tenant-Based Rental Assistance

Funding sources: HOME

Objective 1.5: Promote and preserve homeownership for low-to-moderate income persons [HUD DH-2]

Outcome 1.5: Provide downpayment assistance to 54 households: 45 Down Payment Assistance Program and 9 NSP

Activities 1.5: Down Payment Assistance Program and Neighborhood Stabilization Program

Funding sources: HOME and NSP

Objective 1.6: Preserve and improve existing, affordable owner-occupied housing [HUD DH-3]

Outcome 1.6: A total of 618 single family units will be served, including the rehab of 12 units of single family housing via CHDOs as sub-recipients. 375 single family units will be served via Residential Repair and Emergency Repair. Of the 270 households proposed for the Weatherization Program, 216 will be single family units, of the 26 units to be served through lead hazard control, 6 will be single family units, and NSP will rehab 9 single family units.

Activities 1.6: CHDOs, Residential Repair, Emergency Repair, Weatherization, Lead-Safe Louisville and NSP

Funding sources: CDBG, HOME, DOE, Lead-Based Paint Hazard Control Grant, NSP and Private Investments

### **HOUSING OBJECTIVES** continued

Objective 1.7: Preserve and improve existing, affordable rental housing stock [HUD DH-3]

Outcome 1.7: Repair or rehab 106 units of rental housing. Of the 270 units to be served via weatherization, 54 will be rental units. Of the 26 units to be served by lead hazard control activities, 20 will be rental units. NSP will rehab 7 units of rental housing, and the Rental Development Program will rehabilitate 25 units.

Activities 1.7: Weatherization, Lead-Safe Louisville, NSP and Rental Development Program

Funding sources: DOE, CDBG, HOME, Lead-Based Paint Hazard Control Grant, NSP and Private Investments

Objective 1.8: Address lead-based paint hazards [HUD SL-1]

Outcome 1.8: Remove or abate lead hazards in 26 units

Activities 1.8: Lead-Safe Louisville

Funding sources: Lead-Based Paint Hazard Control Grant, CDBG, Private Investments

Objective 1.9: Support non-profit housing developers as a core objective in reaching affordable housing goals [HUD SL-1]

Outcome: 1.9: Maintain an ongoing group of 5 CHDOs

Activities 1.9: Technical assistance and direct financial support to CHDOs

Funding sources: HOME, CDBG and Private Investments

Housing activities are implemented by the Housing and Community Development Division of LMHFS. The Division administers the Lead-Based Paint Hazard Control and Neighborhood Stabilization Program grants. It also is responsible for the Residential Repair, Emergency Repair, CHDO, Weatherization, Ramp Construction, Down Payment Assistance and Rental Development programs.

The Neighborhood Stabilization Program is targeting federal and state funds in the Newburg, Park DuValle, Portland, Shawnee and Smoketown/Shelby Park neighborhoods. NSP will acquire 13 multi-family structures on Boxelder Road and construct 52 single-family homes in their place. Two commercial properties, one in Portland for Habitat for Humanity, and one in Smoketown/Shelby Park for YouthBuild, will be rehabilitated as public facilities to enhance and sustain the housing services these non-profit organizations provide to the community. NSP is also acquiring 14 vacant rental units for rehabilitation and 18 vacant single-family units for rehabilitation.

The Ramp Construction program provides homes with access ramps and railings Metro-wide to qualifying persons with disabilities.

The Residential Rehab Program (available Metro-wide based on income eligibility) improves existing housing by making homes safe, warm, dry and energy efficient and by eliminating exterior code violations. The program is for owner-occupied housing. Eligible repairs include heating, electrical, plumbing, gas lines, roofing, gutters and downspouts, structural, and (in limited areas) windows, exterior doors and siding. Each home is inspected and evaluated by a Housing Rehabilitation Specialist to determine deficiencies requiring repair.

The Emergency Repair Program provides financial assistance to low-income residents Metrowide to make emergency repairs to their homes. Persons assisted must own and have lived in the home needing the repair for at least one year. Rental units are not eligible. Eligible work includes electrical, plumbing, heating and cooling systems and limited roof repairs.

The Weatherization Program (available Metro-wide based on income eligibility) provides financial assistance to low-income residents for energy conservation improvements to their homes. Households can either own or rent the dwelling, although renters must have the approval and cooperation of the property owner. Participants must have lived in the home needing the weatherization assistance for at least one year. Eligible activities include:

- Insulating attics, walls and floors
- Caulking windows and other areas that allow air infiltration
- Repairing or replacing broken windows and doors
- Repairing or replacing nonworking or inefficient heating systems and water heating systems
- Installing compact florescent light bulbs, low flow shower heads and replacing inefficient refrigerators
- Installing smoke alarms and carbon dioxide and carbon monoxide detectors
- Repairing or replacing interior gas line shutoffs and electrical disconnects
- Installing sediment traps on gas lines

The Down Payment Assistance Program provides loans to qualified homebuyers to assist in purchasing a home, which will be used as a primary residence. Households must meet income guidelines. The program offers assistance Metro-wide. Homebuyers may qualify for a forgivable mortgage, and assistance may also be provided for closing costs. Homebuyers are responsible for obtaining primary financing with a fixed rate mortgage from a reputable lender.

The Rental Development Program provides GAP financing for new construction, substantial rehabilitation, or adaptive reuse, which results in rental units which are affordable to lower-income households. The program is available Metro-wide, provided qualifying criteria are met. The following Rental Development projects are expected to be active during the 2010 Program Year.

<u>Jackson Woods</u> - renovation of 60 apartments in six buildings in the Smoketown-Shelby Park neighborhood. All units will be rented to households with incomes 50% or less AMI. Four units will be handicapped and mobility accessible and two will be hearing accessible. Amenities will include playground, community room, camera security system, laundry room, on-site management office, supportive services and a learning center. The location is convenient to public transportation.

Oracle Single Family Home Revitalization – new construction of 54 three-bedroom single family homes at scattered sites in the Portland and Russell neighborhoods. LMHFS lead hazard control grant funds will be used on another 13 three-bedroom single family homes that are being renovated. All homes will be rented to households with incomes 50% or less AMI. Amenities include washer/dryer hookups, range, refrigerator, and dishwasher, double sink kitchens and pantry, security alarm systems, parking pad, exterior storage, private porches and fenced backyard. Four homes will be handicapped accessible.

<u>St. William Apartments</u> - renovation of 54 one-bedroom apartments in the California neighborhood. All units will be rented to households with incomes 50% or less AMI. Twelve units will be handicapped and mobility accessible and one will be hearing accessible. Amenities will include night-friendly lighting, camera security system, laundry room, benches, bike racks, bathroom grab bars and call lights, mini-blinds, new ranges, refrigerators and hot water heaters. The location is convenient to public transportation.

<u>Scholar House</u> – new construction of 54 (45 two-bedroom and 9 three-bedroom) apartments for low-income parents pursuing college degrees. All units will be rented to households with incomes 50% or less AMI. Eleven units will be designated for special needs tenants focusing on victims of domestic violence and homelessness. Amenities will include Energy Star rated dishwashers, refrigerators and range hoods, washer/dryer hookups, hard-wired smoke detectors, ventilation fans, new kitchens with cabinets, sinks, appliances and counter tops, new floor coverings Energy Star rated windows, and 90+ efficiency furnaces and hot water heaters will be installed with overflow pans.

<u>Woodbourne Place</u> – renovation of the historical Woodbourne Mansion built about 1830 in the Douglas Boulevard area into 11 one-bedroom apartments for senior citizens. All units

will be rented to households with incomes 50% or less AMI. Amenities will include hardware specially designed and applied to the needs of the residents such as levered handles, railings and grab bars, non-slip floor surfaces and thermostats and other control devices with lettering larger than standard sizes. An elevator that will be handicapped accessible is to be installed. Each apartment will have a range, refrigerator, sink and dishwasher, kitchen counter and cabinets, washer and dryer and large windows for natural light.

Zoe Fields – renovation of 11 scattered site homes located in West Louisville. The homes vary in size from 2-5 bedrooms. Several homes will be rented to households with incomes 50% or less AMI, while others will be rented to households with incomes 60% or less AMI. One home will be handicapped accessible. Amenities included inside the home will be updated electrical and plumbing, new kitchen hardware, cabinetry where needed, appliances, flooring and carpet, fresh paint throughout, new HVAC, and new water heaters. Exterior renovations include repair or replacement of siding as well as painting, repair and/or replacement of exterior doors and windows. All homes will have fencing to enclose the rear of the properties and provide the tenants with privacy and security. All homes will receive updated landscaping, including leveling or filling in any areas where it is needed. Adequate lighting on the front and rear porches of all properties will be added for improved security.

The Community Housing Development Organization Program (CHDO) works with non-profit housing organizations to establish their CHDO certification and select and complete new projects. The program provides up to 100% of financing for construction of new homes on vacant lots or rehabilitation of exiting vacant homes. When construction is complete, the CHDOs hold title to the homes, which are transferred to eligible homebuyers at or below 80% of area median income at closing.

Louisville Metro Government supports CHDOs by providing the following:

- Access to operating support
- Access to training and technical assistance in housing development and management
- Access to construction financing
- Access to gap financing
- The opportunity to earn reasonable developer fees.

CHDOs and non-profits organizations expected to be active during the 2010 program year include:

### **CHDO - New Community Housing Development Organization**

Certified as a CHDO in 2009, New Community Housing Development Organization, with the support of its parent organization, New Directions Housing Corporation, looks to acquire and rehab single family housing and apartments throughout Louisville Metro neighborhoods.

### CHDO - REBOUND, Inc.

Having been newly-reorganized and certified as a CHDO in 2009, the mission of REBOUND, Inc. is to facilitate the purchase of homes by persons of low and moderate income. REBOUND will develop decent and affordable homes through construction of new and rehabilitated housing, and promote the rebuilding of urban neighborhoods throughout Metropolitan Louisville.

# **CHDO - River City Housing, Inc.**

As Louisville's oldest active CHDO, River City Housing, Inc. has been developing housing since 1992 when Eastern Area Community Ministries, St. Matthews Area Community Ministries, and United Crescent Hill Community Ministries came together to form the organization. River City Housing, Inc. has built more than 100 homes for low and moderate income families throughout the Louisville Metropolitan area. In recent years, they have expanded their skills to include acquisition and rehabilitation of existing houses.

### Nonprofit Organization - New Directions Housing Corporation

New Directions Housing Corporation develops and maintains affordable housing and vital communities in partnership with neighborhoods and other stakeholders. New Directions also works with community leaders and residents to strengthen grassroots organizations for increased safety and empowerment. New Directions constructs affordable, quality housing communities to benefit families of low income and people with special needs. Currently, New Directions is under contract as a sub-recipient of HOME funds for rehabilitation of homeowner occupied houses in the Shelby Park and Smoketown neighborhoods.

# **Needs of Public Housing**

The Louisville Metro Housing Authority is a recognized innovator. Its Park DuValle public housing redevelopment is an award-winning model of smart growth, earning the 2000 American Institute of Architects' Honor Award for Regional Urban Design for its creation of a pedestrian-friendly neighborhood with homes that are closely integrated with recreation, transportation, retail and civic spaces and where residents can easily walk or ride bikes.

In February 2010, the Louisville Field Office of the U.S. Department of Housing and Urban Development presented awards for excellence in management. The Louisville Metro Housing Authority's SIT-UP Program was honored as the "Resident Initiative Program of the Year" for enabling elderly and disabled residents to live independently for as long as possible by using case management, counseling, wellness activities, leadership development, and community building services.

LMHA has one of the strongest Housing Choice Voucher (HCV) to Homeownership programs in the country, and it can boast that 153 families have purchased homes using the program (132 HCV households and 21 public housing residents). LMHA had the first Section 8 closing in the nation in November of 1997 and has experienced exponential growth over the years. The award-winning program offers a comprehensive route to self-sufficency for low-income families through mortgage assistance, counseling and maintenance support. Participants challenge their

over-representation in poverty statistics and under-representation in indicators of success. LMHA requires intensive pre and post purchase counseling as well as requires homebuyer participation in Individual Development Accounts with a two to one match for repairs and maintenance. LMHA will continue to recruit participants for this program.

LMHA is designated as a HUD "high performer" and since 1999 LMHA is one of thirty housing authorities (out of over 4,200) designated as a Moving to Work (MTW) agency. The MTW program was created by Congress and signed into Law as part of the Omnibus Consolidated Rescissions and Appropriations Act of 1996. The program offers public housing authorities the opportunity to design and test innovative, locally-designed housing and self-sufficiency strategies for low-income families by allowing exemptions from existing public housing and tenant-based Housing Choice Voucher rules and permitting public housing authorities to combine operating, capital, and tenant-based assistance funds into a single agency-wide funding source.

In furtherance of this work, LMHFS proposes CDBG and HOME support of the Sheppard Square Revitalization. The current 326 units of severely distressed public housing will be replaced with 465 rental and homeownership opportunities. There will be 228 on-site, project-based public housing units, including 32 units for elderly and disabled households; 59 market rate rental properties and 23 market rate homeownership properties. The project will also create another 101 units of affordable 3 bedroom single family housing off-site. The homes will be located on vacant, infill properties within a three mile radius of Sheppard Square or in areas of non-minority concentration. Another 54 off-site units will be developed at Family Scholar House, a nonprofit whose mission is to end the cycle of poverty by giving single-parent students an opportunity to earn a four-year college degree.

Initial project steps anticipated for the 2010 Program Year (if a HOPE VI grant is awarded) include obtaining appropriate approvals, relocation, demolition, infrastructure improvements and site preparation. The redevelopment of Sheppard Square (a combination of \$22M of proposed HOPE VI funds, \$10M in CDBG, \$2.5M in HOME, LIHTC/ACC funds, and private investments) will result in a transit-oriented community of energy-efficient housing choices available to households with a range of incomes.

# **Barriers to Affordable Housing**

Louisville Metro is mindful that offering a choice of affordable housing and housing types in neighborhoods across the community is a key component of fair housing. LMHFS will join with Louisville Metro Planning and Design, Louisville Metro Inspections, Permits and Licenses, the Louisville Urban League, and Louisville Metro Human Relations Commission, to address zoning and other fair housing goals during this Action Plan year. An internal working group of representatives from these organizations along with the Metropolitan Housing Coalition will be formed to address "Analysis of Impediments to Fair Housing Choice in Louisville Metro, KY" recommendations that lie within Metro Government's executive authority to implement. The 2010 Action Plan provides added funding for the Human Relations Commission to hire additional staff, and it will fund the Metropolitan Housing Coalition's participation in this

working group as well. The working group will also recommend to the Mayor the membership and charge of a "community collaboration committee" to address recommendations that involve changes outside the scope of Metro Government's executive authority.

# Analysis of Impediments (AI)

An Analysis of Impediments to Fair Housing Choice for Louisville Metro citizens (AI) was conducted in 2010 by the Metropolitan Housing Coalition, a private, non-profit organization that provides research, community education and collaboration-building as advocates for fair housing policies. It will aid in creating and executing fair housing plans, building public awareness and support for fair housing efforts, and influencing policy making. Highlights of the AI include demonstrating the correlation between poverty and the nine protected classes (i.e. higher concentrations of protected classes), which include two locally protected classes, and common outcomes of these concentrations (i.e. poor health, vacant properties, higher foreclosure rate, etc.). The report also highlights the impact of the current Land Development Code on developing affordable housing. The final section of the AI is dedicated to defining Action Steps to overcome the impediments identified, including – but not limited to – actions such as amending or updating the Land Development Code and developing affordable housing in all sections of the community to reduce concentrations of protected classes.

# **HOME/ American Dream Down payment Initiative (ADDI)**

Louisville Metro does not anticipate HOME/ADDI funding in Program Year 2010.

# **HOMELESS**

# **Specific Homeless Prevention Elements**

### Sources and Planned Uses of Funds

LMHFS administers nine Shelter Plus Care grants and two Supportive Housing Program grants totaling \$1,926,053 in HUD Continuum of Care funding. An allocation of \$521,492 in ESG and \$554,887 in HOPWA funding is likewise anticipated from HUD. LMHFS also receives a small pass-through award from the Kentucky Housing Corporation (\$12,379) under the Supportive Housing Program. This Louisville AfterCare Services grants assists homeless persons in the transition out of shelters and into permanent housing.

Another \$1,250,000 in CDBG funds is proposed for sub-recipients via a request for proposals process to provide self-sufficiency and supportive services. A total of \$250,000 in CDBG and \$250,000 in HOME funds will be used to construct, renovate, or rehabilitate facilities to create 5 new permanent supportive housing units.

### **Chronic Homelessness**

The most recent Homeless Census (2008) indicated that 25% of Louisville Metro's homeless population was chronically homeless. The local Continuum of Care has established the following process for reducing Chronic Homelessness. Persons who are identified as homeless based on HUD's criteria are first referred to basic shelter. Shelter staff work to engage the person in case management, and if successful, a case manager works consults with him or her to determine what barriers keep them from stability and to assess his or her ability to address these issues. Case managers identify appropriate supportive services and aide with enrollment, tracking appointments and following up with partner agencies.

Other strategies to address homelessness and chronic homelessness include: Seven Counties Services (local mental health provider) maintains a Mental Health Outreach Team consisting of 3 case managers, the Veterans Center offers Outreach, and LMHFS maintains a homeless families response team. Family Health Centers, Inc. operates a Health Outreach Team and Homeless Outreach Team. Outreach Teams divide their time between visiting places frequented by the chronically homeless and providing follow-up care to those identified through this process.

### **Prevention**

ESG funds will be used for prevention, shelter operations, essential services, and for renovating, rehabilitating or converting structures to serve as emergency or transitional housing. HOPWA funds will be used for tenant-based rental assistance, supportive services, and assistance with rent, mortgages or utilities to prevent homelessness. Given the high numbers of extremely low-income households encumbered by cost burdens and at-risk of homelessness (17,149), HOME funds are being allocated for tenant-based rental assistance to further aid in prevention by keeping individuals and families housed.

LMHFS will also use Community Action Coordinators, assigned to areas providing coverage across the county, to assist with prevention by connecting at-risk residents in their neighborhood to the housing, income supports, and employment training and placement services available within the department's three divisions.

## **Discharge Coordination**

Persons being discharged from foster care, state mental or correctional facilities are referred to a Homeless Prevention Pilot Project (HPPP) staff prior to their release. HPPP staff assists participants in developing plans and connecting with housing and supportive services to ensure a successful transition. The Louisville Metro Criminal Justice Commission administers two re-

entry projects, one in Newburg and another in Shawnee, and the Community Action Partnership, a Division of LMHFS, partners with Louisville Metro Corrections on another re-entry program called Pathways in Action, Expansion.

In addition, LMHFS has signed a Memorandum of Understanding with Bellewood to provide Shelter Plus Care Housing for disabled youth aging out of foster care.

Area hospitals contact the Family Health Centers' Phoenix Health Center when they need to discharge a homeless patient who would benefit from a "healing bed." There are six such beds in the community. A member of the Health Center Outreach Team meets with persons who receive a "healing bed," assessing their needs and helping them access services, including housing. Hospitals refer homeless persons from outside the area to Travelers Aid to receive assistance if they are stranded in Louisville, so they may return to their home community. The local Continuum of Care, of which LMHFS is a member, is working to add additional elements to the discharge coordination process.

## **Specific Homeless Objectives**

LMHFS will undertake the following activities in Program Year 1, in keeping with the objectives and performance outcomes detailed in its Consolidated Plan.

### **HOMELESS OBJECTIVES – 2010 PROGRAM YEAR**

GOAL 4: Reduce the incidence of homelessness in the Louisville Metro community

COMMUNITY INDICATORS: # of homeless, # of homeless who are sheltered, # unsheltered, number of permanent supportive housing units; # of persons receiving homeless prevention assistance.

Objective 4.1: Increase self-sufficiency services for persons who are homeless [HUD DH-3]

Outcome 4.1: Serve 2,000 people with self-sufficiency services. This will include case management that provides: 1) appropriate housing placements, 2) client assessments, 3) client plans and 4) linkages to mainstream income supports as well as financial, educational and employment services for persons who are homeless.

Activities 4.1: Non-profit service providers, Human Services and Neighborhood Place staff

Funding: CDBG Request for Proposals, Non-profits and other Private or Public Sources

Objective 4.2: Increase supportive services for persons who are homeless, including health, mental health, substance abuse, domestic violence, child care and transportation services [HUD DH-3]

Outcome 4.2: Serve 1,500 persons

Activities 4.2: Non-profit service providers

Funding: CDBG Request for Proposals, Non-profits and other Private or Public Sources

### **HOMELESS OBJECTIVES** continued

Objective 4.3: Provide prevention services, including emergency assistance with rent, mortgage & utilities, landlord intervention services, and assistance to obtain copies of birth certificates, photo IDs and other necessary documents [HUD DH-3]

Outcome 4.3: Assist 1,000 persons

Activities 4.3: Non-profit service providers, Human Services and Neighborhood Place staff

Funding: ESG, Non-profits and other Private or Public Sources

Objective 4.4: Support essential services and operations for Emergency Shelters and Transitional Housing [HUD DH-3]

Outcome 4.4: Serve 2,000 people through the support of operations and 1,000 people by means of essential services

Activities 4.4: Non-profit service providers

Funding: ESG, Non-profits and other Private or Public Sources

Objective 4.5: Deliver Permanent Supportive Housing services [HUD DH-2]

Outcome 4.5: Serve 252 households through Shelter Plus Care and another 82 households through Supportive Housing

Activities 4.5: Human Services SPC and SHP

Funding: HUD Continuum of Care: Shelter Plus Care and Supportive Housing Program Grants

### **HOMELESS OBJECTIVES** continued

Objective 4.6: Support the renovation, rehabilitation or conversion of buildings to use as emergency shelters or transitional housing [HUD DH-1]

Outcome 4.6: Assist 1 facility

Activities 4.6: Non-profit service providers

Funding: ESG, Non-profits and other Private or Public Sources

Objective 4.7: Increase the number of permanent supportive housing units [HUD DH-1]

Outcome 4.6: Support the construction, conversion or rehabilitation of 5 units per year

Activities 4.6: Non-profit service providers

Funding: ESG, Non-profits and other Private or Public Sources

## **Emergency Shelter Grants (ESG)**

(States only) Describe the process for awarding grants to State recipients, and a description of how the allocation will be made available to units of local government.

### Louisville Metro Government is not a state entity.

LMHFS anticipates the following activities and outcomes under the ESG program.

ESG Homeless Activities	Priority Level	HUD Statutory Program Goal	Estimated Percentage of Allocation	LM Outcome/ Performance Measure	HUD Outcome
Essential Services	Н	Decent Housing	28%	1,000 persons per year	Improve Sustainability [DH-3]
Operations	M	Decent Housing	24%	2,000 persons per year	Improve Sustainability [DH-3]
Prevention	Н	Decent Housing	34%	1,000 persons per year	Improve Sustainability [DH-3]
Renovation/ Rehabilitation	M	Decent Housing	9%	1 facility per year	Improve Availability/ Accessibility [DH-1]
Administration	Н	Decent Housing	5%	CAPER	Improve Sustainability [DH-3]

In keeping with its Citizen Participation Plan, LMHFS is using a request for proposal process to select ESG sub-recipients to provide services. The final, Council-approved list of ESG sub-recipients will be submitted to HUD by July 15, 2010.

### COMMUNITY DEVELOPMENT

## **Community Development**

LMHFS has targeted the following Community Development needs for the 2010 Program Year, in keeping with the five-year needs and objectives established in its 2010-2014 Consolidated Plan. In the Table below, the HUD Matrix Code for each proposed activity is listed in parenthesis.

## Priority Community Development Needs Public Facilities and Improvements and Public Services

CDBG Community Development Activities	Priority Level	HUD Statutory Program Goal	Estimated Cost Year One	LM Outcome/ Performance Measure Year 1	HUD Outcome
Acquisition of Real Property [01] – NSP – Boxelder Road and NSP neighborhoods	М	Suitable Living Environment	NSP and private donations	Acquire 13 housing units for NSP new construction	Improve Availability/Accessibility [SL-1]

The Louisville Metro Economic Development Department is the lead for METCO business loan activities. The Community Action Partnership will implement micro-enterprise recruitment and technical assistance by means of eight Community Action Coordinators. The CACs will conduct outreach and make referrals to CAP's employment training and placement team and to services provided by outside agencies. Moreover, CAP will assume an advocacy role for Minority and Women Owned Business seeking an opportunity as non-profit developers, for-profit developers, or contractors for the HUD dollars spent by the Department of Housing and Family Services. CAP will also recruit and assist Section 3 workers.

The grids specifying objectives for Economic and Community Development activities, which correspond with the strategic plan table included in the Consolidated Plan, appear on the following pages.

#### **ECONOMIC DEVELOPMENT OBJECTIVES - 2010 PROGRAM YEAR**

GOAL 2: Louisville Metro energizes the regional economy and stabilizes neighborhoods by providing residents with access to livable wage jobs, education and training to qualify for those jobs, and business ownership opportunities that create jobs and increase the tax base.

COMMUNITY INDICATORS: Unemployment rate, commercial vacancy rate, the number of new jobs, the number of new businesses and micro-enterprises.

Objective 2.1: Increase the number of jobs in the community [HUD EO-1]

Outcome 2.1: Invest in projects that create or retain 80 jobs

Activities 2.1: Metro Economic Development loans (20) and technical assistance to businesses, CAP Micro-Enterprise Development (15) and CDBG-R (45)

Outcome 2.4: Provide technical assistance to 20 potential micro-enterprises

Activities 2.4: Community Action Partnership Coordinators

Funding: CDBG

Objective 2.5: Increase the number of micro-enterprises [HUD EO-2]

Outcome 2.5: Provide loans to 10 new micro-enterprises and help establish 15 micro-enterprises

Activities 2.5: Community Action Partnership Coordinators

Funding: CDBG

### COMMUNITY DEVELOPMENT OBJECTIVES [Public Facilities, Services, Infrastructure, & Improvements] – 2010 Program Year

GOAL 3: Louisville Metro fosters a suitable living environment by improving physical conditions and the quality of life in distressed neighborhoods and throughout the community.

COMMUNITY INDICATORS: Housing Values, Vacancy Rates, Housing Cost Burdens, and Code Violations

Objective 3.1: Redevelop the severely distressed Sheppard Square Public Housing Development and the surrounding Smoketown neighborhood [HUD SL-1]

Outcome 3.1: Assist with infrastructure improvements and site preparation, 4 units

Activities 3.1: Sheppard Square Revitalization

Funding: CDBG, HOME, HOPE VI, LIHTC, State NSP, and Private Investments

Objective 3.2: Improve the health and safety of low-to-moderate census tracts by cleaning, cutting and boarding vacant properties in CDBG eligible areas [HUD SL-3]

Outcome 3.2: In coordination with other Consolidated Plan activities, board 400 properties and clean 2,000 properties

Activities 3.2: Vacant Lot Program

Funding: CDBG and Metro Public Works

Objective 3.3: Eliminate slum and blight in the community by clearance of vacant or abandoned properties [HUD SL-3]

Outcome 3.3: Clear 170 properties

Activities 3.3: Demolition

Funding: CDBG and Metro Public Works

### **COMMUNITY DEVELOPMENT OBJECTIVES** continued

Objective 3.4: Eliminate slum and blight in the community through property code enforcement [HUD SL-3]

Outcome 3.4: In coordination with other Consolidated Plan activities, inspect 30,000 properties to improve conditions in low-to-moderate census tracts

Activities 3.4: Code Enforcement Program

Funding: CDBG and Metro Codes and Regulations

Objective 3.5: Provide housing counseling services to preserve homeownership or to purchase a home [HUD DH-3]

Outcome 3.4: Serve 1,200 households

Activities 3.4: Housing Partnership, Inc., Louisville Urban League, and Legal Aid Society

Funding: CDBG and Private resources

Objective 3.6: Improve coordination of Consolidated Plan activities between Louisville Metro agencies conducting CDBG activities [HUD SL-3]

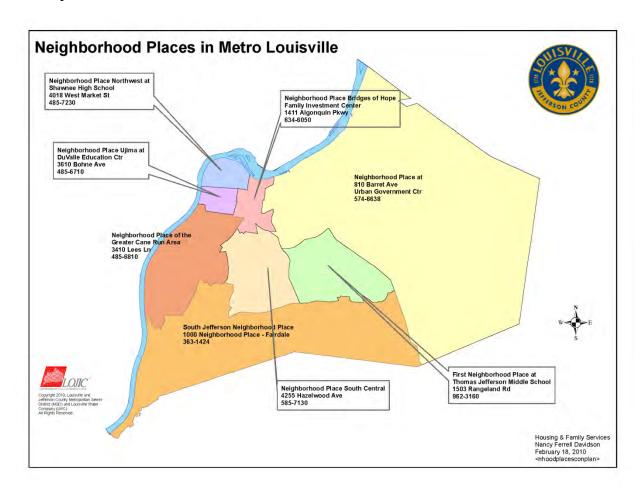

Outcome 3.6: More effective service delivery and improved community benefits through the strategic use of resources

Activities 3.6: Quarterly consultations between Housing and Community Development, Codes and Regulations, Public Works, Economic Development/Urban Design and other Metro CDBG partners

Funding: CDBG

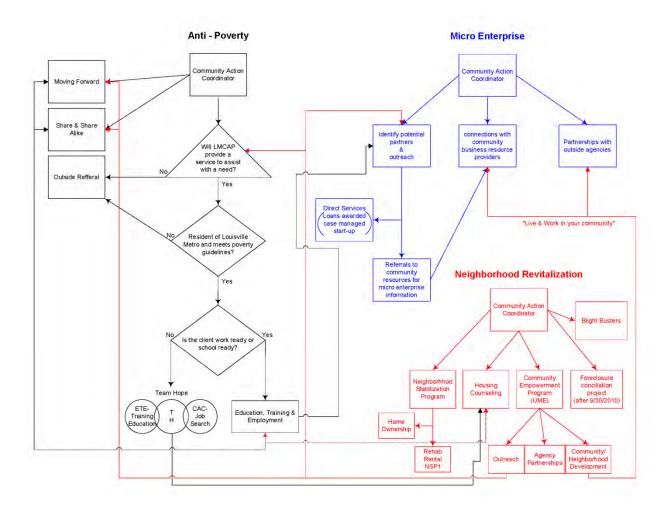

## **Antipoverty Strategy**

One of the community's key tools for remediating poverty is Neighborhood Place, administered by LMHFS's Human Services Division. Neighborhood Place is a nationally-recognized collaborative of public partners – Louisville Metro Government (including Human Services, CAP, Public Health and Wellness, and KentuckianaWorks [the Workforce Investment Board], the Kentucky Cabinet for Health and Family Services (Food Stamps, TANF, KCHIP, Medicare, Protection and Permanency), Jefferson County Public Schools, and Seven Counties Services (regional mental health agency). Some 500 staff provide blended health, education, workforce, public benefits and human services in 8 Neighborhood Places and 2 satellites across Jefferson County. Each Neighborhood Place is strategically located to be accessible to low-to-moderate income persons.

The mission of LMHFS's Community Action Partnership Division (CAP) is to combat poverty related issues. CAP maintains a comprehensive slate of anti-poverty programs and services, including LIHEAP, Senior Nutrition (Meals on Wheels and Congregate Meals) and the Summer Lunch for Children program.

For the 2010 Program Year, CAP will assign 8 Community Outreach Coordinators (CACs) to each of the Neighborhood Place services areas. The CACs are a street-level, mobile, client-facing strategy to reduce poverty and to provide information about job training and placement, micro-enterprise and neighborhood revitalization opportunities. Through extensive outreach using neighborhood community centers, senior centers, churches, libraries and home visits, the CACs will make connections with neighborhood residents. They will provide information and pre-screen to assess eligibility for housing, human services, and community action partnership programs. The CACs will make appropriate referrals to these programs and to other government (Neighborhood Place) or non-profit resources and services. As feasible, they provide client intake and application assistance. Using ARRA funding, the CACs have been active in Louisville Metro's NSP target areas working with residents to identify potential properties for rehabilitation. The CACs will build on and continue this work in the 2010 Program Year. A flow chart diagramming this process appears below:

### NON-HOMELESS SPECIAL NEEDS HOUSING

## Non-homeless Special Needs 91.220 (c) and (e)

General Fund dollars are being budgeting for the department's External Agency Fund (EAF). This fund supports non-profits serving the community, most of whom address special needs. As a result, many special needs activities have been ranked as medium priorities for Consolidated Planning funding.

Activities in this category will be supported through the department's Community Action Partnership, Human Services and Neighborhood Place infrastructure. Community Action Coordinators will conduct extensive outreach in their assigned neighborhoods and make referrals to in-house housing and human service providers and to external, non-profit service providers. Objectives include increasing access to services that protect vulnerable populations: child care, services for abused/neglected children and youth services; services for senior citizens; domestic violence victims; persons with mental illness; persons with physical or developmental disabilities; immigrants and refugees; and persons with substance abuse issues.

The strategic plan grid for these activities in Program Year 1 appears below.

#### SPECIAL NEEDS FACILITIES AND SERVICES OBJECTIVES – 2010 PROGRAM YEAR

GOAL 5: Address the special needs of Louisville Metro residents.

COMMUNITY INDICATORS: # persons with mental health issues, # persons with substance abuse issues, # domestic violence victims, # abused/neglected children, # elderly receiving services, # receiving child care assistance, # receiving youth services

Objective 5.1: Connect vulnerable populations to services. This includes persons at-risk of homelessness, youth, abused neglected children, families needing child care assistance, persons who are elderly, domestic violence victims, persons with mental health and/or substance abuse issues, ex-offenders and other special need populations. [HUD SL-2]

Outcome 5.1: Provide 1,520 referrals to in-house (CAP, Human Services, Housing or Neighborhood Place) programs for special needs populations or to external service providers

Activities 5.1: Community Action Partnership Coordinators, Human Services and Neighborhood Place staff

Funding: CDBG, CSBG and General Funds

Objective 5.2: Increase services to vulnerable populations [HUD SL-1]

Outcome 5.2: If funding is approved, provide partial support to 50 service providers

Activities 5.2: Non-profits

Funding: External Agency Fund (General Funds)

Objective 5.3: Increase facilities and services for persons with disabilities [HUD SL-1]

Outcome 5.3: Serve a minimum of 45 households

Activities 5.3: Ramp/Accessibility Program

Funding: CDBG

## **Housing Opportunities for People with AIDS**

## **Specific HOPWA Objectives**

Louisville Metro works closely with the AIDS Services Center Coalition (ASCC), which for 22 years, has served as an umbrella organization for HIV/AIDS service organizations in the Louisville Metro and Southern Indiana area. The Coalition includes agencies providing services in Jefferson, Bullitt, Henry, Meade, Nelson, Oldham, Shelby, Spencer and Trimble counties in Kentucky and Clark, Floyd, Harrison, and Washington counties in Indiana. The following agencies are members of the AIDs Services Center Coalition: WINGS Medical Clinic – Ryan White HIV Program - University of Louisville, Health Sciences Center; Volunteers of America; House of Ruth; AIDS Interfaith Ministry of Kentuckiana; Louisville Metro Public Health and Wellness; School of Dentistry – University of Louisville, Health Sciences Center; Louisville Metro Housing and Family Services; Centerstone; AIDS Legal Project of the Legal Aid Society; Louisville AIDs Resource Center; Hoosier Hills AIDS Coalition; and Clark County Health Department.

The Mission of ASCC is to provide a forum and formal structure to collaborate and support HIV/AIDS programs and services. The goal is to prevent duplication of efforts and gaps in services, and to develop, implement and monitor the success of HIV/AIDS programs and services. LMHFS consulted with the AIDS Services Center Coalition concerning the HOPWA needs and priorities for the Consolidated Plan.

The three proposed activities for HOPWA funding tenant-based rental assistance, supportive services, and short-term assistance with rent, mortgage and utilities.

For the 2010 Program Year, a Request for Proposals was issued on February 23, 2010 inviting grass-roots, faith-based and community non-profits that were interested in providing HOPWA services to apply. Applications were due March 12, 2010. An ESG/HOPWA Grants Committee, including representation by the Coalition for the Homeless, made funding recommendations in April 2010. Final recommendations will be submitted by the Mayor to the Metro Council in May as part of the annual budget process. The Council is required to approve a budget by July 1st. This corresponds with the start of the 2010 Program Year. Once the Metro Council passes a new Fiscal Year budget, the list of HOPWA sub-recipients will be submitted to HUD by July 15, 2010 and posted to the website. The HOPWA sub-recipient list will include the name of each project sponsor, the zip code for the primary area(s) of planned activities, amounts committed to that sponsor, and whether the sponsor is a faith-based and/or grassroots organization.

### HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS [HOPWA] OBJECTIVES – 2010 PROGRAM YEAR

Goal: Provide housing and supportive services to persons with AIDS and their families

COMMUNITY INDICATORS: # new AIDS cases, # persons living with AIDS, # unsheltered homeless with AIDS, # persons with AIDS receiving homeless prevention or supportive services

Objective 6.1: Provide tenant-based rental assistance to persons with AIDS [HUD DH-2]

Outcome 6.1: Serve 45 households

Activities 6.1: HOPWA

Funding: HOPWA

Objective 6.2: Provide supportive services to persons with AIDS [HUD DH-3]

Outcome 6.2: Serve 300 persons

Activities 6.2: HOPWA

Funding: HOPWA

Objective 6.3: Provide short-term rent, mortgage and utility payments [HUD DH-2]

Outcome 6.3: Serve 111 persons

Activities 6.3: HOPWA

Funding: HOPWA

## 2009 HOPWA Recipients, Actions, Assistance, Goals and Progress

Prior to the 2010 Program Year (July 1, 2010 through June 30, 2011), Louisville Metro Government conducted CDBG, HOME, ESG and HOPWA activities on a calendar year basis. Louisville requested and was approved by HUD to adjust its program year to correspond with Metro Government's fiscal year. As a result, the 2009 Program Year will run eighteen (18) months: from January 1, 2009 through June 30, 2010.

Consequently, 2009 HOPWA activities are still in progress. LMHFS is providing preliminary data on HOPWA activities conducted from January 1, 2009 through December 31, 2009 in this Action Plan submission. Louisville Metro's CAPER for the 2009 Program Year is due in September 2010. The CAPER will provide final data for the entire 18-month program "year."

2009 HOPWA funds were used for three activities: supportive services, tenant-based rental assistance and short-term assistance with rent, mortgages or utilities to maintain housing stability and prevent homelessness. There were five HOPWA sub-recipients for 2009.

## Other Narrative

## HOME Program Specific Requirements This section includes Technical Corrections requested by HUD.

Louisville Metro proposes to use its HOME allocation to expand the supply of decent, safe, affordable housing throughout Louisville Metro. Housing needs will be addressed through new construction of owner-occupied units or the rehabilitation of existing units. Homebuyer assistance will likewise be provided.

New affordable rental housing will be developed while affordable rental units will be preserved through rehabilitation. Given the significant number of extremely-low income renter households facing cost burdens in Louisville Metro's housing market, a risk factor for homelessness, tenant-based rental assistance will be provided to maintain housing stability.

## **Down Payment Assistance Program**

### **ELIGIBLE PROPERTIES**

Louisville Metro Government will provide maximum assistance in NRSA neighborhoods. Homebuyers may qualify for a forgivable mortgage of 20% of the purchase price of the home to a maximum of \$20,000, which will be forgiven over a 10 year period.

Metro Wide assistance is also being offered, and homebuyers may qualify for a forgivable mortgage which will be forgiven over a five (5) year period of 15% of the purchase price of the home to a maximum of \$15,000.

The Louisville Metro Department of Housing and Family Services, Housing and Community Development Division may also provide closing cost assistance in the amount of up to \$2,000 for down payment assistance programs. The amount of the closing cost allocation will be forgiven after five (5) years.

Lots or properties acquired from the LandBank Authority or Urban Renewal also qualify for this program. An after construction or rehab value estimate will be completed prior to occupancy or the investment of HOME funds.

The property must meet Section 8 Housing Quality Standards (HQS). If the property requires substantial rehabilitation (greater than \$25,000 average per unit total development costs), local codes and cost-efficiency energy conservation and effectiveness standards apply. The property types must be a single family property (one unit).

### CRITERIA

There is no requirement that the homebuyers remain low-, very low- and extremely low income while they own the property. There is also no requirement that the Principal, Interest, Taxes and Insurance (PITI) remain affordable to the home buyer. If homeowner association fees are required, these will be considered as housing costs and counted also with PITI.

### FORM OF OWNERSHIP

For the purposes of the HOME program, home ownership is fee simple title.

### PERIOD OF AFFORDABILITY

For homebuyers and rental projects assisted with HOME funds the length of the Affordability period depends on the amount of the HOME investment in the property and the nature of the activity funded. The table below provides the Affordability periods:

HOME Investment per Unit	Length of the Affordability Period
less than \$15,000	5 years
\$15,001 - \$40,000	10 years
more than \$40,000	15 years
new construction of <i>rental</i> projects	20 years

The Final Rule (September 1996) eliminated the requirement that when HOME funds are used in conjunction with Federal Housing Administration (FHA) insurance, the Affordability period is the term of the FHA-insured mortgage.

It is noted that Louisville Metro Government may increase the Period of Affordability at its discretion.

### FORMS OF SUBSIDY

- A. New Construction loans for Non-profits: Louisville Metro will provide construction loans to non-profits to develop affordable housing. A portion of the construction loan is repaid to the Louisville Metro at the time of the sale.
- B. Mortgage Assistance for Homebuyers: Louisville Metro will provide financial assistance to qualified homebuyers who purchase homes developed by non-profit agencies or for-profit organizations on land that had been owned by Urban Renewal or the LandBank Authority. The amount of assistance is based on need and is regulated by the HOME Regulations.

### SALE BEFORE COMPLETION OF THE PERIOD OF AFFORDABILITY

If the homeowner chooses to sell their property during the Period of Affordability, the property is subject to recapture provisions (as described in the following section) in compliance with HOME Regulations at 92.254 (Technical Correction).

## RESALE/RECAPTURE PROVISIONS 92.254 (a) (5)

Resale: Under the resale provision, the period of affordability is based on the total HOME subsidy in the project. Under this provision, an assisted homebuyer is obligated to sell his/her property only to another HOME eligible buyer at a price that is deemed by the Louisville Metro Housing and Community Development Division (LMHCD) to be fair to both parties.

Recapture: Under the recapture provision, the period of affordability is based on the direct HOME subsidy to the homebuyer only. Under this provision, the homeowner repays all or some of the HOME subsidy and is able to sell his/her home to any buyer at any price.

LMHCD places restrictions on assisted homebuyer properties by electing to use the recapture provision for **all** of its Homebuyer Assistance Programs in an effort to help preserve affordable housing. Therefore, LMHCD will require the direct HOME subsidy to be repaid if the client sells the home, voluntarily or involuntarily, before the period of affordability expires. This recapture provision will include a ten percent forgiveness clause for each year the homebuyer lives in the home.

### **Example**

Mr. John Doe purchases a home for \$100,000 and receives \$8,000 in HOME funded homebuyer assistance funds from LMHCD in January 2011. This \$8,000 loan is subject to recapture should Mr. Doe sell the property during the five year period of affordability. At the end of year three,

December 2013, Mr. Doe sells the property. As a result, thirty percent, \$2,400, is forgiven resulting in a loan balance of \$5,600 to be repaid from the net proceeds of the sale.

If the net proceeds of the sale are not enough to repay the direct HOME subsidy, the amount recaptured will be equal to the net proceeds available. (Technical Correction).

### **SECURITY**

Every property developed under a HOME-assisted program is subject to all HOME restrictions. Louisville Metro will retain through deed restrictions and/or the loan agreement, mortgage and mortgage note, the right of first refusal for the relevant Period of Affordability. Deed restrictions will be placed against the residence during the relevant Period of Affordability. If and when possible, Louisville Metro will encourage participating private lenders to include all pertinent HOME requirements in the loan and mortgage documents for the private financing.

### RELOCATION REQUIREMENTS

A HOME-assisted homeownership project is subject to relocation requirements under the Uniform Relocation Act (URA). In order to avoid the costs of relocation and to avoid the displacements of persons, it is recommended that non-profits purchase only vacant properties or properties which are owner-occupied and are publicly marketed. An owner-occupant who sells a property is not eligible for relocation assistance under the URA as long as the seller, prior to the sale is informed in writing: 1) of the fair market value of the property; and 2) that the buyer does not have the power of eminent domain and, therefore, will not acquire the property if the negotiations fail to result in an amicable sales agreement. If vacant units are purchased, the government will evaluate whether or not the seller removed tenants in order to sell a "vacant" building.

### COUNSELING

Homebuyers are referred by the financial institutions to attend homeownership counseling programs. These programs cover topics such as how to be a successful homeowner, debt management, credit maintenance, budget planning, home maintenance, and post-purchasing counseling.

### MINORITY/WOMEN'S BUSINESS OUTREACH

Louisville Metro has an ongoing commitment to encourage the use of minority and women owned businesses under Ordinance No. 140, Series 1988. This was passed to encourage businesses owned by minorities, women and persons with handicaps to become certified with the Louisville Metro Human Relations Commission. The Commission handles the certifications and maintenance of the current database of vendors. This information is distributed to housing providers and contractors. Each project is required to maintain statistical data on the use and participation of minority-owned and women-owned business enterprises as contractors and subcontractors in all HOME and other applicable assisted programs.

## OTHER APPLICABLE FEDERAL REQUIREMENTS

These are contained in the HOME Investment Partnership Program regulations which are codified at 24 CFR Part 92.

### RENTAL DEVELOPMENT PROGRAM

The Rental Development Program provides the minimum financial assistance (GAP financing) to a project which results in rental units affordable to lower-income households. Assistance may be provided for acquisition, new construction, substantial rehabilitation, or adaptive reuse. The Rental Development Program does not provide subsidies to refinance existing debt or inject funds into a project that has already received HOME funds

- 1.) Other forms of investment utilized by participants might include Housing Tax Credits, HUD 202 (elderly) or HUD 811 (handicap) loans, Federal Home Loan Banks, Affordable Housing Trust Fund, etc.
- 2.) All Rental Development Program must meet certain written standards.
  - a.) Acquisition only upon completion of the development, the project must meet state and local housing quality stands and code requirements.
  - b.) New construction upon completion of the development, the project must meet all applicable state and local codes, rehabilitation standards and ordinances and the International Conservation Code.
  - c.) Rehab upon completion of the development, the project must meet all applicable state and local codes, rehabilitation standards and ordinances.
  - d.) Accessibility all assisted housing must meet the accessibility requirements of the Fair Housing Act and Section 504 of the Rehabilitation Act of 1973.

- 3.) Upon completion of the project, the owner must maintain the property in accordance with property standards throughout the affordability period.
- 4.) HOME-assisted rental units are subject to rent controls as identified in 24 CFR 92.252.
- 5.) In addition, the rental units will be subject to:
  - Annual re-certification of tenants income by owner
  - Annual reviews of rent and utility usage by owner
  - On-site inspections by for compliance with Section 8 Housing Quality Standards and other HUD requirements.

Number of Units	Inspection Required
1-4	Every three years
5-25	Every two years
26 or more	Annually

- 6.) No person on the grounds of race, color, national origin, religion, sex, age or handicap shall be excluded the benefits of, or be subjected to discrimination on any Rental Development project that receives Metro financial assistance.
- 7.) The HOME maximum per-unit subsidy limits apply to rental units. The actual subsidy provided is subject to cost allocation and subsidy layering analysis.
- 8.) Owners may not refuse to lease HOME-assisted units to a certificate or voucher under the Section 8 Program, or to a holder of a comparable document evidencing participation in a HOME tenant-based rental assistance (TBRA) program.
- **9.)** Projects with fewer than five HOME-assisted units do not have to restrict any units to the Low HOME rents or limit occupancy to tenants at 50% or below of the area median income (AMI).

### HOME AFFIRMATIVE MARKETING PROCEDURES AND REQUIREMENTS

- 1.) The following methods to inform the public, owners, and potential tenants about federal fair housing laws and its affirmative marketing policy:
  - (a) Use commercial media, including radio, television, and newspapers, to disseminate information.
  - (b) Prepare and transmit written informational materials to fair housing and related groups.
  - (c) Use Equal Housing Opportunity logotype or slogan in press releases and solicitations for owners.
  - (d) Distribute and display fair housing posters.
- 2.) For projects containing five or more HOME-assisted units, each owner must adhere to the following requirements and practices in order to carry out Louisville Metro's affirmative marketing procedures and requirements:
  - (a) Use commercial media, including radio, television, and newspapers, as means of disseminating information.
  - (b) Use community contacts to disseminate information, including churches and community organizations located in, and serving low-income and minority neighborhoods.
  - (c) Distribute informational circulars in low-income and minority neighborhoods.
  - (d) Use Equal Housing Opportunity logotype or slogan in informational material.
  - (e) Display fair housing poster at project site and/or rental office.
- 3.) For projects containing five or more HOME-assisted units, each owner must use procedures, including the following, to inform and solicit applications from persons in the housing market area who are not likely to apply for the housing without special outreach:
  - (a) Use churches, housing counseling agencies, employment centers, fair housing organizations, and other community and neighborhood organizations, in disseminating information and promotional materials.
  - (b) Use selected commercial media deemed particularly appropriate to inform and solicit applications from persons who are less likely to apply for available units in a project.

- 4.) With regard to record keeping, Louisville Metro will take the following actions:
  - (a) Assure records are maintained that describe the actions taken by it, and by owners, to affirmatively market units.
  - (b) Properly record assessments of the results of affirmative marketing actions taken by itself and by owners.
- 5.) Louisville Metro will use the methods set forth below to assess the success of affirmative marketing actions and to correct deficiencies in affirmative marketing:
  - (a) Require the submission of periodic reports by owners describing their affirmative market actions.
  - (b) Monitor and assess, at least annually, the affirmative marketing actions taken by owners, relying primarily on information contained in owner's reports and records. Results of those owner actions will also be assessed.
  - (c) Provide technical assistance, as needed, to improve performance by owners.
  - (d) As appropriate, establish and require appropriate corrective actions by owners, within established time frames.
  - (e) If, and as appropriate, require partial or full repayment of HOME funds provided. (Provision for such repayment will be included in the Agreement).
- 6.) Federal requirements relating to Affirmative Marketing can be located at See 24 CFR 92.351.

### Coordination

To enhance the coordination of available public and private sector housing, social services, health, mental health, economic development, employment and other resources, LMHFS has adopted the following strategies:

- Quarterly meetings between Metro agencies providing Consolidated Plan services to the community;
- A Sustainable Communities collaborative that includes representation by Metro agencies, TARC and KIPDA;
- Working with Metro United Way and the Continuum of Care to organize Grants
   Committees to review and make recommendations for sub-recipients of Consolidated
   Plan funding in a manner that puts all community resources to the highest impact use;
- Coordinating with the local Continuum of Care and the AIDS Services Center Coalition to enhance direct service delivery and refine strategies for addressing chronic homelessness, discharge planning/coordination and prevention activities;
- Funding Community Action Coordinators in the Consolidated Plan to build and sustain relationships with residents, nonprofits, faith-based groups, schools and businesses at the neighborhood level and incorporate their views and priorities into NRSA efforts by means of Community Consulting Committees, and
- Finally, using Community Action Coordinators to better coordinate existing resources by linking citizens to available housing, employment and human services both LMHFS programs and services in the community.

Technical Corrections Requested by HUD have been made to this document. Sufficient data was not available to evaluate the disproportionate needs of racial/ethnic groups other than African-American and Hispanic populations. No disproportionate needs were identified for Hispanic persons. For African-Americans, disproportionate need was determined as follows:

Total Jefferson County Households = 286,952 African-American Households = 50,885 Ratio = 17.7% + 10% = 27.7% baseline. Any category where African-American representation was greater than 27.7% was identified as disproportionate.

The 2000 CHAS data does not breakdown families by Large Related and Small Related households, so when there was disproportionate representation in the family category, a "Yes" was entered for both Small Related and Large Related households.

Completing Part 1: Homeless Population. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The counts must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Completing Part 2: Homeless Subpopulations. This must be completed using statistically reliable, unduplicated counts or estimates of homeless persons in sheltered and unsheltered locations at a one-day point in time. The numbers must be from: (A) administrative records, (N) enumerations, (S) statistically reliable samples, or (E) estimates. The quality of the data presented in each box must be identified as: (A), (N), (S) or (E).

Sheltered Homeless. Count adults, children and youth residing in shelters for the homeless. "Shelters" include all emergency shelters and transitional shelters for the homeless, including domestic violence shelters, residential programs for runaway/homeless youth, and any hotel/motel/apartment voucher arrangements paid by a public/private agency because the person or family is homeless. Do not count: (1) persons who are living doubled up in conventional housing; (2) formerly homeless persons who are residing in Section 8 SRO, Shelter Plus Care, SHP permanent housing or other permanent housing units; (3) children or youth, who because of their own or a parent's homelessness or abandonment, now reside temporarily and for a short anticipated duration in hospitals, residential treatment facilities, emergency foster care, detention facilities and the like; and (4) adults living in mental health facilities, chemical dependency facilities, or criminal justice facilities.

Unsheltered Homeless. Count adults, children and youth sleeping in places not meant for human habitation. Places not meant for human habitation include streets, parks, alleys, parking ramps, parts of the highway system, transportation depots and other parts of transportation systems (e.g. subway tunnels, railroad car), all-night commercial establishments (e.g. movie theaters, laundromats, restaurants), abandoned buildings, building roofs or stairwells, chicken coops and other farm outbuildings, caves, campgrounds, vehicles, and other similar places.

U. S. Department of Housing and Urban Development Louisville Field Office, Region IV 601 West Broadway, Room 110 Louisville, Kentucky 40202

August 30, 2010

Ms. Christina Heavrin
Interim Director
Department of Housing and Family Services
Louisville Jefferson County Metro Government
745 W. Main Street, Suite 300
Louisville, Kentucky 40202

Subject: Louisville-Jefferson County Metro Government (Metro) 2010 Action Plan Amendment

Dear Ms Heavrin:

Our office has reviewed your August 17, 2010 Action Plan amendment and I am pleased to advise you that the amendment is accepted. This amendment changes the allocation of various formula grants but does not change the total approved allocation. Metro is reminded that each activity is required to meet all program requirements at the time funds are committed to the project. Please ensure that the final Plan, including this amendment and approval letter, are published in accordance with your citizen participation plan and posted on your website.

If you have questions or desire assistance related to community development programs, you may contact Richard Knight, Senior Community Planning and Development Representative at 618-8106 or email at Richard.L.Knight@hud.gov.

Sincerely,

Virginia E. Peck, Director Office of Community Planning

and Development

The CPMP First Annual Action Plan includes the Narrative Responses to the Amended 2010 Action Plan questions that relate to the amendments.

# Narrative Responses

#### GENERAL

#### **Executive Summary**

#### **Program Year 1 Action Plan Amendment Executive Summary**

The Louisville/Jefferson County Metro Government 2010 Action Plan submitted to the U.S. Department of Housing and Urban Development (HUD) in May 2010 outlined projects and programs for 2010 aimed at addressing the goals identified in the five-year, 2010 to 2014, Louisville/Jefferson County Metro Government Consolidated Plan (Con Plan). These projects and programs include affordable housing, homeless prevention, supportive services, economic development, community development activities and the creation and funding of Neighborhood Revitalization Strategy Areas. The Action Plan had alternative budgets in order to support the award of a HOPE VI Grant to the Louisville Metro Housing Authority if awarded. Unfortunately, that grant was not awarded.

Louisville/Jefferson County Metro Government's Citizen Participation Plan was designed to encourage active citizen participation in both the identification of needs within the community and the development of the goals and strategies to address those needs. This plan, which provides guidelines for all phases of consolidated planning, including amendments, deems that an amendment to the Action Plan is warranted given substantial changes which include the addition or deletion of an activity, changes to the scope of an activity due to modifications in funding level or location, and changes to the scope of an activity which affect the original beneficiaries.

The Amendment to the 2010 Action Plan is primarily concerned with the approved budget for Metro's fiscal year and the allocation of Community Development Block Grant (CDBG) carry-forward funds made available through the reconciliation of Metro's fiscal year with HUD's action year funding. The use of CDBG carry-forward funds is reflected both in increases to projects in the 2010 Action Plan as well as the addition of some new projects.

Increased funding includes:

Multi-family Rehab Code Enforcement Demolition

The new projects which have been added to the planned activities for 2010 are as follows:

Shawnee Library Expansion

Family Economic Success Program
Public Infrastructure Improvements – streets and sidewalks
Public Facility Improvements for eligible non-profit organizations
Park Improvements
Economic Development "COOL" activities
School Playground Improvements

The amended 2010 CDBG Action Plan Budget and the final budget for activities funded with the HOME Investment Partnership Program (HOME) are included with this amendment, following the narrative. Also included are the CDBG project tables for any new or amended projects and listings of sub-recipients of the Emergency Shelter Grant (ESG), Housing Opportunities for Persons with AIDS (HOPWA) entitlement and CDBG Homeless Services allocation.

#### Amendments to the 2009 Action Plan

As with the 2010 Action Plan, the programs and projects for 2009 focused on the goals identified in the Con Plan and were consistent with the programs and projects which are typically funded to meet these goals. During program year 2009, Action Plan amendments were submitted when substantial changes were made; however, CDBG funds were allocated to three projects late in the plan year which were not included in the 2009 Action Plan. CDBG funds in the amount of \$600,000 were allocated to street improvements, CDBG funds in the amount of \$750,000 were allocated for land acquisition and infrastructure activities to support the state funded NSP project currently underway and CDBG funds in the amount of \$840,000 were allocated to replace HOME funds for the Jackson Woods multi-family rehab project.

As the Louisville/Jefferson County Metro Government's Citizen Participation Plan requires an amendment given substantial changes, future Action Plans will be amended when required.

### GENERAL

#### **Executive Summary**

#### Program Year 1 Action Plan Amendment Executive Summary

The Louisville/Jefferson County Metro Government 2010 Action Plan submitted to the U.S. Department of Housing and Urban Development (HUD) in May 2010 outlined projects and programs for 2010 aimed at addressing the goals identified in the five-year, 2010 to 2014, Louisville/Jefferson County Metro Government Consolidated Plan (Con Plan). These projects and programs include affordable housing, homeless prevention, supportive services, economic development, community development activities and the creation and funding of the Portland Neighborhood Revitalization Strategy Area.

Louisville/Jefferson County Metro Government's Citizen Participation Plan was designed to encourage active citizen participation in both the identification of needs within the community and the development of the goals and strategies to address those needs. This plan, which provides guidelines for all phases of consolidated planning, including amendments, deems that an amendment to the Action Plan is warranted given substantial changes which include the addition or deletion of an activity not previously included in the Consolidated Plan, changes to the location of an activity which affect the original scope of the project, changes to the scope of an activity which affect the original beneficiaries, changes in the scope of an activity due to modifications in funding level (a funding adjustment totaling 25% or more in a program year Action Plan budget for the project) and a series of changes representing a cumulative total of 10% or more in a program year Action Plan budget.

This second Amendment to the 2010 Action Plan is primarily concerned with the addition of the CDBG funded Lake Louisville/Park Springs Public Facilities and Improvements project for \$2,000,000. CDBG funds will be used to facilitate installation of infrastructure improvements for the entrance and initial phase of this affordable housing project, which will result in a 224 unit mixed-income subdivision, with 60% of the units being for households with incomes at or below 80% of AMI. This project was made possible through the reimbursement of CDBG funds in the amount of approximately \$1,821,000 to Louisville Metro Government by The Salvation Army, A Georgia Corporation and the reallocation of \$250,000 in CDBG carry-forward funds, for a total of \$2,071,000. Louisville Metro Government had provided and allocated these CDBG funds for infrastructure needs related to the KROC Center residential development and aquatics center, which are no longer slated to be developed. The remaining \$71,000 of CDBG funds will be reallocated to the Residential Repair and Rehab project, to include both single family and multifamily rehab activities.

This amendment further reflects the amendment of one project, Shawnee Library Expansion. Instead of the full \$1.8 million being allotted to fund only this project, as was reflected in the first amendment to the 2010 Action Plan, the \$1.8 million will be used to fund improvements for not only the Shawnee Library Expansion project, but possibly other eligible libraries within the Louisville Metro area.

Finally, this amendment also reflects reductions in two projects: Metro Park Improvements and Eligible Non-profit Public Facilities Improvements. As some proposed activities for these two projects have been found to be ineligible, remaining funds will also be reallocated to the Residential Repair and Rehab project, to include both single family and multi-family rehab activities.

The amended 2010 CDBG Action Plan Budget is included with this amendment, following the narrative.

### GENERAL

#### **Executive Summary**

#### **Program Year 1 Action Plan Amendment Executive Summary**

The Louisville/Jefferson County Metro Government 2010 Action Plan submitted to the U.S. Department of Housing and Urban Development (HUD) in May 2010 outlined projects and programs for 2010 aimed at addressing the goals identified in the five-year, 2010 to 2014, Louisville/Jefferson County Metro Government Consolidated Plan (Con Plan). These projects and programs include affordable housing, homeless prevention, supportive services, economic development, community development activities and the creation and funding of the Portland Neighborhood Revitalization Strategy Area.

Louisville/Jefferson County Metro Government's Citizen Participation Plan was designed to encourage active citizen participation in both the identification of needs within the community and the development of the goals and strategies to address those needs. This plan, which provides guidelines for all phases of consolidated planning, including amendments, deems that an amendment to the Action Plan is warranted given substantial changes which include the addition or deletion of an activity not previously included in the Consolidated Plan, changes to the location of an activity which affect the original scope of the project, changes to the scope of an activity which affect the original beneficiaries, changes in the scope of an activity due to modifications in funding level (a funding adjustment totaling 25% or more in a program year Action Plan budget for the project) and a series of changes representing a cumulative total of 10% or more in a program year Action Plan budget.

The Amendment to the 2010 Action Plan is primarily concerned with the approved budget for Metro's fiscal year and the allocation of additional Community Development Block Grant (CDBG) carry-forward funds. An additional \$1,600,000 in CDBG carry-forward funds will be dedicated to eligible nonprofit public facilities improvement projects. Further carry-forward funding in the amount of \$240,000 will be dedicated to Residential Repair and Rehabilitation Projects.

The amendment also reflects the transfer of \$725,000 total from Residential Repair and Rehabilitation Projects. Of this amount \$350,000 is being transferred to Emergency Repair to allow LMHFS to better meet the demand of this program.

The remaining \$375,000 is being transferred to Public Facilities and Improvements. This funding will be used by the Society of St. Vincent DePaul to rehabilitate a 24 bed single room occupancy facility for homeless persons.

The amended 2010 CDBG Action Plan Budget is included with this amendment, following the narrative.
